Failure to comply with any of the provisions of this permit may result
in action including, but not limited to restrictions on the use, civil
penalties, or cancellation of the permit.

This permit is for the beneficial use of water without waste. The water
user is advised that new regulations may require the use of best
practical technologies or conservation practices to achieve this end.

By law, the land use associated with this water use must be in
compliance with statewide land-use goals and any local acknowledged
land-use plan.

The use granted herein may be made only at times when sufficient water
is available to satisfy all prior rights, including rights for
maintaining instream flows.

Issued this date, APRIL 5, 1990.
