1 map RS State Engineer. \$27.50

STATE OF OREGON, } ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from Fall Creek for irrigation purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 2.13 cubic feet per second, or its equivalent in case of

rotation. The priority date of this permit is June 17, 1921

Actual construction work shall begin on or before July 5, 1922 and shall thereafter be prosecuted with reasonable diligence and be completed on or before

June 1, 1923

Complete application of the water to the proposed use shall be made on or before

October 1, 1925

WITNESS my hand this 5th day of July, 1921

Percy A Cupper

State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.
