STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of Seepage and Waste Water from Long Gulch for irrigation purposes, and is also limited to the amount available at the proposed point of diversion and does not carry with it the right to divert water from the stream from which the waste water is diverted nor the right to require the wasteful use of water by others

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.13 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is October 6, 1921.

Actual construction work shall begin on or before October 20, 1922 and shall thereafter be prosecuted with reasonable diligence and be completed on or before

June 1, 1923

Complete application of the water to the proposed use shall be made on or before

October 1, 1924

WITNESS my hand this 20th day of October, 1921
