Remarks: Previous to Mr. Kiely this tract of land had been occupied by another
party, who had developed the spring to a certain extent and had ir-
rigated about six acres of ground with the water from the spring.
Some ditch line was also built. Mr. Kiely intends to use certain
portions of the old ditch and also made a few changes some of which
will include rock work and as near as he can approximate 6 acres
will be irrigated. Any previous water right to this land would no
doubt be lost thru abandonment.
