\$30.75

STATE OF OREGON, } ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to

one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from Pass Creek and unnamed tributary, springs and reservoir to be constructed under Application No. 8612, Permit No. R 533, for irrigation, domestic and the development of 25 horsepower, and the right herein granted for power development shall be, is deemed to be and is hereby expressly made subsequent in right and time to any appropriations which may hereafter be made at points above on Pass Creek and its tributaries for irrigation or storage purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 3.0 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is August 8, 1922.

Actual construction work shall begin on or before September 20, 1923 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1924

Complete application of the water to the proposed use shall be made on or before October 1, 1925 EXTENDED TO 10/1/26

WITNESS my hand this 20th day of September, 1922. Percy A. Cupper. State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.

W A I V E R

The right acquired for the appropriation of water for power development under Application No. 8562, shall be, is deemed to be, and is hereby expressly made subsequent in right and time to any appropriations of water which may hereafter be made at points above on Pass Creek, and its tributaries, for irrigation or storage purposes. The State Engineer is hereby authorized to so limit this application in his permit issued thereon.

Dated this sixth day of Sept., 1922.

Theodore Jemison, (Signature of applicant.)
