Remarks: The creek from which the water is taken, is a small one,  
It takes out of Deep Creek, it flows across land owned by the applicant,  
and in fact ends upon applicant's land. The original ditch is an old one,  
Last fall the old ditch was cleaned out and the extension was made while  
help was available. Water leaving the old ditch practically flows over  
the major portion of the land embraced within this application.
