STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the	appropriation of water from hina
Creek for irrigation purposes.	
The amount of water appropriated shall be limited to	
use and not to exceed	ibic feet per second, or its equivalent in case of
rotation. The priority date of this permit is	
Actual construction work shall begin on or before.	October 25, 1923 and shall
thereafter be prosecuted with reasonable diligence and be	
	June 1, 1924
Complete application of the water to the proposed	use shall be made on or before
	October 1, 1925
WITNESS my hand this25th day of	October, 1922
	Percy A. Cupper
	State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
