STATE OF OREGON,
County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from an t	ın–
named stream for irrigation purposes.	
	,
The amount of water appropriated shall be limited to the amount which can be applied to bene	
use and not to exceed0.06 cubic feet per second, or its equivalent in ca	se of
rotation. The priority date of this permit is May 29, 1923.	
Actual construction work shall begin on or before June 6th, 1924. and	shall
thereafter be prosecuted with reasonable diligence and be completed on or before	
June 1, 1925.	
Complete application of the water to the proposed use shall be made on or before	·
October 1, 1926.	
WITNESS my hand this 6th day of June, 1923.	
Percy A. Cupper.	
State En	

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
