STATE OF OREGON, County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the	appropriation of water from Chinowith
Creek for irrigation purposes.	
	······································
	d to the amount which can be applied to beneficial
use and not to exceed	cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is	
	e June 18, 1924 and shall
thereafter be prosecuted with reasonable diligence and	be completed on or before
	June 1, 1925
Complete application of the water to the propos	sed use shall be made on or before
	October 1, 1926
WITNESS my hand this 18th day o	dune, 1923.
and the second s	Percy A. Cupper.

State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
