\$13.65

STATE OF OREGON, County of Marion,

88.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to th	ne appropriation of water from Badger
and Tygh Creeks for irrigation purposes.	
	ed to the amount which can be applied to beneficial
use and not to exceed	cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is	September 28, 1923.
	re and shall
thereafter be prosecuted with reasonable diligence and	l be completed on or before
	June 1, 1925 EXTENDED TO 6//26//28
Complete application of the water to the propo	sed use shall be made on or before
	October 1, 1926 Extended to 19/28
WITNESS my hand this day	
	Rhea Luper.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
