\$6.00

STATE OF OREGON,

County of Marion,

88.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the	he appropriation of water from Owl		
Creek for irrigation purposes.			
	······································		
· · · · · · · · · · · · · · · · · · ·			
The amount of water appropriated shall be limited to the	ne amount which can be applied to beneficial		
use and not to exceed0.25 cubi	c feet per second, or its equivalent in case of		
rotation. The priority date of this permit is	September 28, 1923.		
Actual construction work shall begin on or before	October 31, 1924. and shall		
thereafter be prosecuted with reasonable diligence and be con	mpleted on or before		
	June 1, 1925.		
Complete application of the water to the proposed us	e shall be made on or before		
·	October 1, 1926.		
WITNESS my hand this day of	October, 1923.		
	Rhea Luper.		

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
