STATE OF OREGON,

County of Marion,

88.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the app	epopriation of water from an un-
named spring for domestic and irrigation pur	poses.
· · · · · · · · · · · · · · · · · · ·	
The amount of water appropriated shall be limited to a	
use and not to exceed	ric feet per second, or its equivalent in case of
rotation. The priority date of this permit is	October 2, 1923.
Actual construction work shall begin on or before	
thereafter be prosecuted with reasonable diligence and be co	ompleted on or before
•	June 1, 1925
Complete application of the water to the proposed u	se shall be made on or before
	October 1, 1926.
WITNESS my hand this day of	October, 1923.
	Rhea Luper.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
