\$8.00

STATE OF OREGON,
County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from a	
Spring, tributary to LaCreole River for railroad purposes.	
The amount of water appropriated shall be limited to the amount which can be applied to benefic	ial:
use and not to exceed cubic feet per second, or its equivalent in case	of
rotation. The priority date of this permit is December 10, 1923	
Actual construction work shall begin on or before December 31, 1924. and sh	ıall
thereafter be prosecuted with reasonable diligence and be completed on or before	
June 1, 1925	
Complete application of the water to the proposed use shall be made on or before	
October 1, 1926.	
WITNESS my hand this day of December, 1923.	
Rhea Luper.	

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.

State Engineer.
