Salem, Oregon, on the15 day	
of November , 192 ³ , at	
Returned to applicant for correction November 15, 1923.	
Corrected application received	
December 4, 1923. Approved:	
Recorded in Book No. 21 of	
Permits, on Page 6118	
Rhea Luper. State Engineer.	
\$8.00	
ave examined the foregoing applications and conditions: If for irrigation, to per second, or its equivalent, for each of m as may be ordered by the proper stop granted is limited to the approper of Tualatin Watershed for do	this appropriation shall be limited acre irrigated, and shall be subject ate officer. copriation of water from
opriated shall be limited to the amount .01 cubic feet per	·
caoic feet per	socona, or us equivalent in case 0)

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from

a spring tributary of Tualatin Watershed for domestic purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed

0.01

cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is

November 15, 1923.

Actual construction work shall begin on or before

December 31, 1924.

and shall thereafter be prosecuted with reasonable diligence and be completed on or before

June 1, 1925

Complete application of the water to the proposed use shall be made on or before

October 1, 1926.

WITNESS my hand this

31st

day of

Rhea Luper.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
