Remarks: A part of the above described land, approximately four acres, thereof, has been irrigated since about the year 1908 but thru apparent error in the proofs submitted at the time of the Wallowa River adjudication, no right was secured. The Wilson Ditch, thru which water will be diverted, has been completed since 1908 and the applicant herein will only need to build some small laterals and a flume across the Wallowa River to irrigate the remainder of the tract.
