Remarks: The Coffee Lake Drainage Ditch was constructed in the seventies for the purpose of drainage what was then known as Coffee Lake. This is Beaver dam land, devoted to truck gardening, and at least during the past fifteen years a dam has been maintained in this ditch causing the water to back up and sub-irrigate the adjoining land during the irrigation season.

In filing this application the applicants do not relinquish any right they may otherwise have to the use of this drainage ditch and the water, but this application is filed as a precautionary measure.
