RHEA LUPER
State Engineer.

 $STATE\ OF\ OREGON,$ ss. County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

for supplemental supply for irrigation of lands already having a partial water					
right.					
The amount of water appropriated shall be limited to	the amount which can be applied to beneficial				
use and not to exceedcul	bic feet per second, or its equivalent in case of				
rotation. The priority date of this permit is	A 4 90 9004				
Actual construction work shall begin on or before	0				
thereafter be prosecuted with reasonable diligence and be c	completed on or before				
······	June 1, 1926				
Complete application of the water to the proposed i	ise shall be made on or before				
, , , , , , , , , , , , , , , , , , ,	October 1, 1927				
WITNESS my hand thisday of	September, 1924				

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
