STATE OF OREGON,
County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the	appropriation of water from Simpson
Creek for irrigation purposes.	
The amount of water appropriated shall be limited to t	he amount which can be applied to beneficial
use and not to exceed cubi	c feet per second, or its equivalent in case of
rotation. The priority date of this permit is	July 12, 1924.
Actual construction work shall begin on or before	October 21, 1925. and shall
thereafter be prosecuted with reasonable diligence and be co	mpleted on or before
	June 1, 1926
Complete application of the water to the proposed us	e shall be made on or before
·····	October 1, 1927
WITNESS my hand this 21st day of	October, 1924.
	Rhea Luper

State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
