STATE OF OREGON, } ss. County of Marion,

\$8.00

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from a spring in the NW 1/4 NE 1/4 of Section 26, T 36 S. R 5 W.W.M. for domestic purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.02 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is February 4, 1925.

Actual construction work shall begin on or before March 20, 1926 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1927 EXTENDED TO 10/1/28

Complete application of the water to the proposed use shall be made on or before October 1, 1928

WITNESS my hand this 20th day of March, 1925.

Rhea Luper, State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
