*This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited
to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject
to such reasonable rotation system as may be ordered by the proper state officer.*

The right herein granted is limited to the appropriation of water from Mosier
Creek for irrigation purposes.

The amount of water appropriated shall be limited to the amount which can be applied to bene-
ficial use and not to exceed 0.1 cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is September 18, 1925.

Actual construction work shall begin on or before October 12, 1926 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
June 1, 1927

Complete application of the water to the proposed use shall be made on or before
October 1, 1928

WITNESS my hand this 12 day of October, 1925.

Rhea Luper,
STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the
payment of annual fees as provided in Section 5803, Oregon Laws.
