STATE OF OREGON, } ss. County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited including water heretofore appropriated, to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of waste water from land in SE 1/4 NE 1/4, Section 3, Township 5 North, Range 35 East, W. M., for supplemental supply for lands already having a partial water right, and is also limited to the water available at the proposed point of diversion and does not carry with it the right to divert water from the source from which the waste water is diverted, nor the right to require the wasteful use of water by others.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.13 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is August 29, 1925

Actual construction work shall begin on or before October 15, 1926 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1927

Complete application of the water to the proposed use shall be made on or before October 1, 1928

WITNESS my hand this 15 day of October, 1925

Rhea Luper,

STATE ENGINEER.
