Remarks: I purchased this land prior to the year 1908 and began using the water for irrigation purposes by means of power pump during the year of 1908 and have used the water for the purpose of irrigating said 40 acres every summer since that time. The pump that I have installed on Fanno Creek has a capacity of 25,000 gals. per hour. During the summer months I used water for irrigation purposes and run the pump for that purpose from two to five hours per day.
