R. W. Kelly,

(Name of applicant)

Signed in the presence of us as witnesses:

- (1) Tennis J. Wyert, Hood River, Oregon
(Name) " (Address of witness)
- (2) C. M. Comstock
(Name) (Address of witness)

Remarks: The above described land is under the Hood River Irrigation District, but owing to lack of water in the said district this filing is being made on the waste water from said district which comes down at times thru two draws as shown on map and this water has been picked up and re-used on this property for the last 18 years to the owner's knowledge. The waste from these tracts in turn return to draws leading to Hood River.

STATE OF OREGON, } ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from an unnamed spring for irrigation purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.25 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is June 3, 1926.

Actual construction work shall begin on or before June 14, 1927 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1928

Complete application of the water to the proposed use shall be made on or before October 1, 1929

WITNESS my hand this 14th day of June, 1926

Rhea Luper

STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
