This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited
to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject
to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from
Fanno Creek for irrigation purposes.

The amount of water appropriated shall be limited to the amount which can be applied to bene-
ficial use and not to exceed 0.09 cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is June 12, 1926

Actual construction work shall begin on or before July 19, 1927 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
June 1, 1928

Complete application of the water to the proposed use shall be made on or before
October 1, 1929

WITNESS my hand this 19th day of July, 1926

Rhea Luper

STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the
payment of annual fees as provided in Section 5803, Oregon Laws.
