Permits, on page 7480

RHEA LUPER

\$4.75

STATE ENGINEER.

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right hereinafter granted is limited to the appropriation of water from Indian Creek, tributary of Hood River, for the development of six and three-tenths theoretical horse power.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 5.00 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is November 21, 1925.

Actual construction work shall begin on or before August 7th, 1927 and shall thereafter be prosecuted with reasonable diligence and be completed on or before August 1, 1928

Complete application of the water to the proposed use shall be made on or before

October 1, 1929

WITNESS my hand this 7th day of August, 1926

Rhea Luper

STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
