13. Construction work will begin on or before_____
14. Construction work will be completed on or before_____
15. The water will be completely applied to the proposed use on or before_____

Duplicate maps of the proposed ditch or other works, prepared in accordance with the rules of the Board of Control, accompany this application.

W. A. Taylor (Name of applicant)

Samuel Sheppard

Signed in the presence of us as witnesses:

(1) A. Helms, Jr. (Name)

Mitchell, Oregon (Address of witness)

(2) U. P. McNary (Name)

Mitchell, Oregon (Address of witness)

Remarks: Wishing to complete construction of East Ditch of Mill Creek by next fall, we would like to have three years from date to complete construction of West Ditch of Mill Creek. Mill Creek has a fall of 100' to the mile and has a strong flow of water through the irrigation season; is fed by large springs all along its course. At present the stream is at an average about 12' wide and 10" deep.

STATE OF OREGON, County of Marion. } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction or completion, as follows:_____

In order to retain its priority, this application must be returned to the State Engineer, with corrections, on or before _____, 19_____.

WITNESS my hand this _____ day of _____, 19_____.

State Engineer.

STATE OF OREGON, County of Marion. ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

The appropriation for irrigation purposes shall be limited to one-eightieth of one cu. ft. per sec. for each acre irrigated.

The priority date of this permit is August 1, 1911.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 52/100 (0.52) cubic feet per second.

Actual construction work shall begin on or before Aug 29 1912

and shall thereafter be prosecuted with reasonable diligence and be completed on or before Aug 29 1913

Complete application of the water to the proposed use shall be made on or before Aug 29 1914

WITNESS my hand this 29th day of August, 1911

John H Lewis

State Engineer.
