STATE OF OREGON, } ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited including water heretofore appropriated.

to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from the overflow from the Settling Tank of the City of Baker situated in the NE 1/4, Sec. 33 Twp. 9 S. R. 39 E., W.M., for a supplemental supply for lands already having a partial water right.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.0 cubic feet per second, or its equivalent in case of rotation.

The priority date of this permit is August 13, 1927

Actual construction work shall begin on or before September 1, 1928 and shall thereafter be prosecuted with reasonable diligence and be completed on or before

June 1, 1929

Complete application of the water to the proposed use shall be made on or before

October 1, 1930

WITNESS my hand this 1st day of September, 1927.
