Remarks: 5. The Crooked River Central Ditch Co. is a corporation organized and existing under and by virtue of the laws of the state of Oregon with its office and principal place of business at Prineville therein; said corporation was organized in the year 1926 and acquired by purchase from the People Irrigation Company likewise an Oregon corporation certain of its canals, dams and system serving users of water on the lower or western part of the system of the People Irrigation Company. The People Irrigation Company has been a successful operator for upwards of thirty years and it and its successor the Crooked River Central Ditch Co. have been in continuous operation. The system is completed and the land described in the within application has been reclaimed and subjected to irrigation. The applicant is the owner of an interest in the Crooked River Central Ditch Co. which ownership entitles him to have conveyed thru said system the waters appropriation of which is herein requested.

It is the purpose of applicant to arrange with the Crooked River Central Ditch Company, a corporation, to carry and supply the water to the lands described. The main canal of this company extends through the lands and it will be necessary to construct only such diversion works as will be required to divert the water from said canal.
