*This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited*

*to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject
to such reasonable rotation system as may be ordered by the proper state officer.*

*The right herein granted is limited to the appropriation of seepage water from
H.S. Shangle Ditch, which water is taken from Walla Walla River, for irrigation
purposes, and is also limited to the water available at proposed point of
diversion, and does not carry with it the right to divert water from the stream
from which the seepage water is diverted, not the right to require the wasteful
use of water by others. The amount of water appropriated shall be limited to the amount which can be applied to bene-
ficial use and not to exceed 0.05 cubic feet per second, or its equivalent in case of*

rotation. The priority date of this permit is May 28, 1928

*Actual construction work shall begin on or before July 30, 1929 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before*

June 1, 1930

Complete application of the water to the proposed use shall be made on or before

October 1, 1931

WITNESS my hand this 30th day of July, 1928.

RHEA LUPER

STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.

This form approved by the State Water Board, March 11, 1909.
