Remarks: We, the Viking Park & Building Association, an Oregon Corporation and holding Company for Skandia No. 68, Independent Order of Vikings (membership 300) a national fraternal organization, are the owners of the tract of land as shown on the within map; that we recently acquired this property from the Portland Automobile Club for a recreational center and summer playground for the benefit of the members of our lodge; that other organizations are privileged to rent the use of our park; that the said Portland Automobile Club in about 1914 constructed all of the 2" pipe line and distributingsystem; constructed the Westerly intake reservoir of this system and all other improvements lying east of the Base Line Road as shown on the within map, except the construction of the easterly reservoir and 30 feet of 3" pipe line at the intake. The last two items remain to be done to complete the project as applied for in this application. That Carl Neilson the owner of the land upon which the unnamed springs are located is a joint user of the water now available from the westerly spring and he grants us the right to the overflow from said spring the same being 0.05 cu.ft.per.sec. That at the easterly spring having a flow of 0.05 sec. ft. a concrete reservoir 30'x15'x6' will be constructed and a 30" x 3" pipe will convey the water into the present constructed 2" pipe line. Ultimately a 3" pipe line will displace the present 2" iron pipe line. That there is a head of about 70 feet between intakes and outlets. That the two springs
