Remarks: Applicant has already made a claim for water for this land under the Sprague River Adjudication and asks permission to build a dam to store water in a reservoir and thus hold back the early water for later use during dry seasons.

This application is made only for the purpose of regulating the flow of Round Grove Creek uniformly over the irrigating season and is not made for the purpose of establishing additional water rights to those already claimed by applicant.

This application is made to accompany a reservoir application to construct a reservoir.
