Duplicate maps of the proposed ditch or other works, prepared in accordance with the rules of the Board of Control, accompany this application.

Elizabeth Breese

(Name of applicant)

Signed in the presence of us as witnesses:

- (1) F H Walker Ashland, Oregon
(Name) (Address of witness)
(2) Wm. H Breese Talent
(Name) (Address of witness)

Remarks It is desired to have this application cover the request for
permission to install as an alternative method of procuring suffic-
ient water during the dryest season, and also in order that the
highest levels of this land can be supplied with water, over which
levels the ditch lies too low to provide. I wish to install a gas-
oline pumping outfit near a deep hole in the creek at a point about
250 ft. down stream from the proposed intake to the pipe line above
requested.

STATE OF OREGON,
County of Marion. } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction or completion, as follows:.....

In order to retain its priority, this application must be returned to the State Engineer, with cor-
rections, on or before....., 19.....

WITNESS my hand this.....day of....., 19.....

State Engineer.

STATE OF OREGON, County of Marion. } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The appropriation for irrigation purposes shall be limited to one-eightieth of one cu. ft. per sec. for each acre irrigated. The use hereunder shall conform to any reasonable rotation system ordered by the proper State officer.

The priority date of this permit is October 5, 1911. The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 3/100 (0.03) cubic feet per second. or its equivalent in case of rotation.

Actual construction work shall begin on or before November 11, 1912 and shall thereafter be prosecuted with reasonable diligence and be completed on or before November 11, 1913

Complete application of the water to the proposed use shall be made on or before November 11, 1914

WITNESS my hand this 11th day of November, 1911

John H Lewis

State Engineer.
