STATE OF OREGON, County of Marion. } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The appropriation for irrigation purposes shall be limited to one-eightieth of one cu. ft. per sec. for each acre irrigated, balance for domestic supply. The use hereunder shall conform to any reasonable rotation system ordered by the proper State officer. The priority date of this permit is September 15, 1911.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1/40 (0.025) cubic feet per second. or its equivalent in case of rotation.

Actual construction work shall begin on or before November 14, 1912 and shall thereafter be prosecuted with reasonable diligence and be completed on or before November 14, 1913

Complete application of the water to the proposed use shall be made on or before November 14, 1914

WITNESS my hand this 14th day of November, 1911.

John H Lewis State Engineer.
