- 15. The water will be completely applied to the proposed use on or before

Duplicate maps of the proposed ditch or other works, prepared in accordance with the rules of the State Engineer, accompany this application.

AUBREY N. DAVIS
(Name of applicant)

Signed in the presence of us as witnesses:

- (1) George R. Milburn Hood River, Oregon.
(Name) (Address of witness)
- (2) Bessie W. Weber Hood River, Oregon.

This application is additional to and shall be considered with reference to Permit No. 8014, and the map attached to that permit may be considered as being attached to this. The purpose is to appropriate and use for like purposes and through the same system of distribution all the surplus waters from the spring described, in excess of all quantities and rights previously acquired (by irrigators, etc., and under Permit No. 8014); and to use all the waters from said spring when the same are not being used for the purposes and under the rights for and by which they were acquired, at any time or season when the same are not in actual use under prior right. This application shall include the right to use all waters heretofore acquired for irrigation at any time or season except when being used during irrigation season; and to use waters which have been acquired for domestic or other uses at any time or season when the same are not being used for such purposes.

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before , 192.

WITNESS my hand this day of , 192.

STATE ENGINEER

RHEA LUTER

STATE ENGINEER

4 p. 80 d.

\$10.00

STATE OF OREGON, } ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer

The right herein granted is limited to the appropriation of water from a spring for domestic purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.0 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is May 31, 1929.

Actual construction work shall begin on or before August 21, 1930 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1931.

Complete application of the water to the proposed use shall be made on or before October 1, 1932.

WITNESS my hand this 21st day of August, 1929.

RHEA LUTER

STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in section 5728, Oregon Laws, and the payment of annual fees as provided in section 5803, Oregon Laws.
