PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 2.25 cubic feet per second, or its equivalent in case of rotation with other water users, from Two springs tributary of Willamette River

The use to which this water is to be applied is domestic and stock

If for irrigation, this appropriation shall be limited to -- of one cubic foot per second or its equivalent for each acre irrigated and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 8, 1929

Actual construction work shall begin on or before August 20, 1930, and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1931

Complete application of the water to the proposed use shall be made on or before

October 1, 1932.

WITNESS my hand this 20th day of August, 1929

RHEA LUTER
STATE ENGINEER.
