PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.25 cubic feet per second, or its equivalent in case of rotation with other
water users, from Camp Creek Reservoir, provided that it shall not exceed the total
amount of 20 acre feet annually.

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to 1/30th of one cubic foot per
second or its equivalent for each acre irrigated and shall be subject to such reasonable rotation system
as may be ordered by the proper state officer.

The priority date of this permit is July 2, 1929

Actual construction work shall begin on or before November 26, 1930 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1931

Complete application of the water to the proposed use shall be made on or before
October 1, 1932

WITNESS my hand this 26th day of November, 1929

RHEA LUPER
STATE ENGINEER

Permits for power development are subject to the limitation of franchise as provided in section 5728, Oregon Laws, and the payment
of annual fees as provided in section 5803, Oregon Laws.
