STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer

The right herein granted is limited to the appropriation of water from Three  
Mile Creek and Springs for domestic, irrigation and mining purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.0 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is November 9, 1929

Actual construction work shall begin on or before November 26, 1930 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1931 Extended to Oct. 1, 1933

Complete application of the water to the proposed use shall be made on or before October 1, 1932 Extended to Oct. 1, 1933

WITNESS my hand this 26th day of November, 1929.

RHEA LUPER

STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in section 5728, Oregon Laws, and the payment of annual fees as provided in section 5803, Oregon Laws.
