STATE OF OREGON,) ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer. The right herein granted is limited to the appropriation of water from Blue Springs for irrigation, domestic and stock purposes. This right is specifically limited to a period of use extending from May 11th to October 1st of each year unless permission is given by the Oregon State Game Commission or the State Engineer to divert water for irrigation earlier than May 11th, and such permission shall not be given by the State Engineer in any case unless it is found by him that the diversion before May 11th will not deprive the Oregon State Game Commission of sufficient water for the proper maintenance and operation of its present egg-taking station on Seven Mile Creek.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.35 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is September 25, 1928

Actual construction work shall begin on or before January 15, 1931 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1932

Complete application of the water to the proposed use shall be made on or before October 1, 1933

WITNESS my hand this 15th day of January, 1928
