PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 2.0 cubic feet per second, or its equivalent in case of rotation with other water users, from Unnamed Creek, tributary of Coos Bay

The use to which this water is to be applied is Domestic and fish propagation.

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is February 3, 1930

Actual construction work shall begin on or before March 6, 1931 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1932

Complete application of the water to the proposed use shall be made on or before

October 1, 1933

WITNESS my hand this 6th day of March, 19230
