Remarks: The flow of these two springs is through a natural water course  
which crosses my property and the City airport work is placing the flow in pipe  
and are diverting some of the water west into the City incinerator grounds and  
it is my purpose to save about one third of waste water from the flow for my use  
as stock water.

This filing is to be construed as in no wise jeopardizing former  
vested rights to this water.
