Fees Paid \$12.00

STATE OF OREGON, } ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer

The right herein granted is limited to the appropriation of 3.0 cubic feet per second of the waters of Long Gulch, a tributary of Canyon Creek and Springs tributary thereto for general municipal purposes and said right is granted to the exclusion of all subsequent appropriations by authority of Section 5723, Oregon Laws, as amended, 1929. See special Order of the State Engineer dated December 5th, 1930.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 3.0 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is September 19, 1930.

Actual construction work shall begin on or before and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1935.

Extended to Oct. 1, 1936 10/1/37 - 10/1/42 Extended to Oct. 1, 1948

Complete application of the water to the proposed use shall be made on or before October 1, 1940.

10/1/42 Extended to Oct. 1, 1945 Extended to Oct. 1, 1948

WITNESS my hand this 16th day of December, 192/30.

CHAS. E. STRICKLIN

STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in section 5728, Oregon Laws, and the payment of annual fees as provided in section 5803, Oregon Laws.
