WITNESS my hand this day of, 193.....

STATE ENGINEER

STATE OF OREGON,
County of Marion,

PERMIT

ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 3.00 cubic feet per second measured at the point of diversion from the
well or source of appropriation, or its equivalent in case of rotation with other water users, from
two wells

The use to which this water is to be applied is irrigation and supplemental
irrigation

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per
second or its equivalent for each acre irrigated prior to May 1, and 1/80th of one
cubic foot per second or its equivalent for each acre irrigated during the remainder
of the irrigation season, and shall be further limited to a diversion of not to ex-
ceed 3.00 c.f.s., provided further that the amount of water allowed herein, together
with the amount secured under any other right existing for the same lands shall not
exceed the limitation allowed herein, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 24, 1946

Actual construction work shall begin on or before July 23, 1947 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
October 1, 1948

Complete application of the water to the proposed use shall be made on or before
October 1, 1949

WITNESS my hand this 23rd day of July , 1946.

CHAS. E. STRICKLIN
