STATE ENGINEER.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: This appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer

The right herein granted is limited to the appropriation of water from a well located in the NE $\frac{1}{4}$ of Section 1, Township 24 South, Range 30 East, W.M. for irrigation.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.25 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is August 13, 1930

Actual construction work shall begin on or before September 12, 1931 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1932

Complete application of the water to the proposed use shall be made on or before October 1, 1933

Witness my hand this 12th day of September, 19230
