STATE	OF	ORECON
SIAIL	Or.	OREGON,

PERMIT

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and	
hall not exceed 0.063 cubic feet per second measured at the point of diversion from the well or	
ource of appropriation, or its equivalent in case of rotation with other water users, froma_well	
supplemental The use to which this water is to be applied is/irrigation	
If for irrigation, this appropriation shall be limited to1/80th of one cubic foot per second	
or its equivalent for each acre irrigated and shall be further limited to a diversion	
of not to exceed 3 acre feet per acre for each acre irrigated during the irrigation	
season of each year, provided further that the amount of water allowed herein, together	er
with the amount secured under any other right existing for the same lands shall not exceed the limitation allowed herein, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer. The well shall be so cased as to prevent loss of underground water. The priority date of this permit is February 23, 1950	
Actual construction work shall begin on or before September 29, 1951 and shall	
hereafter be prosecuted with reasonable diligence and be completed on or before	
October 1, 1952	
Complete application of the water to the proposed use shall be made on or before	
WITNESS my hand this 29th day of September , 19450	
CHAS, E. STRICKLIN STATE ENGINEER
