Permit No. 0-3

APPLICATION FOR A PERMIT

To appropriate the Underground Waters of the State of Oregon

I, Ward R. Webber (Name of applicant) of The Dalles (City) county of Wasco state of Oregon do hereby make application for a permit to appropriate the following described underground waters of the state of Oregon, SUBJECT TO EXISTING RIGHTS:

If the applicant is a corporation, give date and place of incorporation

1. Give name of nearest stream to which the well, tunnel or other source of water development is situated Chenoweth Creek (Name of stream) tributary of Columbia River

2. The amount of water which the applicant intends to apply to beneficial use 300 cfs (Cubic feet per second)

3. The use to which the water is to be applied is Irrigating orchards & garden lands. Well # 4 is located 100 ft. SW from the NW corner of Section 30 just outside the north line of Chenoweth Creek.

4. The place where the water is to be pumped or developed is located of Sec. 30 Township 2N Range 13E SW 1/4 (LOCATION WELL # 4) (Give distance and bearing from section corner) Well # 3 is located 100 ft. east of the SE corner of Section 25 to the center of the county road, north along said road about 1/2 mile to the same line.

being within the SE 1/4 of Sec. 25 of Township 2N Range 13E W. M., in the county of Wasco (LOCATION WELL # 3)

5. The (Canal or pipe line) to be in length, terminating in the sections above of Sec. 25 of Township 2N Range 13E W. M., the proposed location being shown throughout on the accompanying map.

6. The name of the well or other works is

DESCRIPTION OF WORKS

7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the supply when not in use must be described.

8. The development will consist of 2 wells (Give number of wells, tunnels, etc.) having a diameter of 12 inches and an estimated depth of 150 feet. Well No. 3--6 inch--150 ft. Well No. 4--6 inch--150 ft.

**CANAL SYSTEM OR PIPE LINE—**

9. (a) Give dimensions at each point of canal where materially changed in size, stating miles from headgate. At headgate: width on top (at water line) ..... feet; width on bottom ..... feet; depth of water ..... feet; grade ..... feet fall per one thousand feet.

(b) At ..... miles from headgate: width on top (at water line) ..... feet; width on bottom ..... feet; depth of water ..... feet; grade ..... feet fall per one thousand feet.

size of pipe at pump---4 inch lateral lines 3 inch

(c) Length of pipe, ..... ft.; size at intake ..... in.; size at ..... ft. About 2,000 Ft. of main line and lateral pipe in the entire project.

from intake ..... in.; size at place of use ..... in.; difference in elevation between intake and place of use, ..... ft. Is grade uniform? ..... Estimated capacity, ..... sec. ft. 150 gals

10. If pumps are to be used, give size and type A. D. Cook Co. Bell well for the pumps in both wells. (4 inch suction)

Give capacity and type of motor or engine to be used 1, 4 horse motors 150 gallons per minute capacity

11. If the location of the well, tunnel, or other development work is less than one-fourth mile from a natural stream or stream channel, give the distance to the nearest point on each of such channels and the difference in elevation between the stream bed and the ground surface at the source of development 2000 feet from channel with creek well 400 feet from channel with creek

**Location of area to be irrigated, or place of use**

Township	Range	Section	Forty-acre Tract	Number Acres to Be Irrigated	Sup. Prim
27	24E	35	21, 22		26.0 9.6
27	24E	30	2, 3		21.5
27	24E	30	1, 2		11.3 8.7
					2.0

(If more space required, attach separate sheet)

(a) Character of soil .....  
 (b) Kind of crops raised .....  
 MUNICIPAL SUPPLY--

13. (a) To supply the city of ..... county, having a present population of ..... (Name of) and an estimated population of ..... in 193 .....

Application No. U-219

Property on which water is to be used is a part of that more explicitly described by applicant as follows:

SOUTHEAST QUARTER (SE $\frac{1}{4}$ ) Section 25, Township 2 North, Range 12 E. W. M., containing 160 acres, together with appurtenant water rights of record.

Subject to Right of Way Deed granted to Pacific Telephone and Telegraph Company, in Book 81 of Deeds, Page 415, Recorded October 29, 1929.

Beginning at the Northwest Corner of the SW $\frac{1}{4}$ , Sec. 30, Tp. 2 N. R. 13 E; thence south on Section Line 4.84 chains to iron pipe; thence south (39 degrees 30' E) 10.90 chains to iron pipe; thence North (52 degrees 51' E) 13.44 chains to iron pipe; thence south (44 degrees E.) 16.34 chains to middle of Chenowith Creek; thence northeasterly down the middle of Chenowith Creek 10 chains more or less to a point 100 feet distant from fence on land sold to Champlin by deed recorded in Book 41, Page 510; thence northwesterly parallel to Champlin line to center of County road; thence northeasterly along the center of road 100 feet to Champlin line; thence north (44 degrees 20' W.) 12.20 chains along Champlin line to center line of section, at a point marked with a stone and stake; thence west along center line of section 26.90 chains to point of beginning and consisting of 35 acres northwesterly of county road and 4 acres southeasterly of county road and a total of 39 acres, all in N $\frac{1}{2}$  SW $\frac{1}{4}$ , Sec. 30, Tp. 2 N. R. 13 E. W. M.

Beginning at a point where the north right-of-way line of the Chenowith Creek Road intersects the west line of Section 30, Township 2 North, Range 13 East, W. M., said point is North 610.0 feet from the Southwest corner of said Section 30; thence North 270.0 feet; thence S. 63 degrees 00' E. 367.8 feet to a point on the North right-of-way line of the Chenowith Creek Road; thence West along said right-of-way line to the point of beginning, containing 1.0 acre, more or less.

\* \* \* \* \*

A strip of land off the West side of the Southeast quarter of the Northwest quarter of Section Thirty (30), in Township Two (2) North Range Thirteen (13) East of the Willamette Meridian, containing twenty-five and 67/100 acres.

Also a certain other tract beginning at the Northeast corner of the Southwest quarter of said section Thirty (30), thence South of subdivision line Nine hundred (900) feet; thence northwesterly thirteen hundred (1300) feet; thence East on quarter section line Nine hundred (900) feet to point of beginning, containing Nine and 33/100 acres situated in the County of Wasco, and State of Oregon.

Commencing at a point from the southwest corner of Section Thirty (30) Township Two (2) North of Range Thirteen (13) East of the Willamette Meridian which bears from said Section corner North on Section line 21.60 chains and thence North 52 degrees 50 minutes East 8.50 chains from the point of beginning of the following described tract of land; thence from said point North 52 degrees 50 minutes East 13.44 chains; thence South 44 degrees East 16.34 chains; to the middle of Chenowith Creek; thence South westerly up the middle of Chenowith Creek to a point which bears South 46 3/4 degrees East from the point of beginning thence North 46 3/4 degrees West 17.90 chains to the place of beginning, containing 23.10 acres, more or less.

Also, beginning at a point on Township line 4.34 chains South of the Section corner of Section 30, Township 2 North, Range 13 East, thence South on Township line 13.40 chains; thence North 53 degrees 30' East 8.45 chains to an iron pipe and corner in common to land sold to C. L. Hazen, thence North 39 degrees 30' west 10.90 chains to the place of beginning, containing 4.50 acres.

SAVE AND EXCEPT that there is reserved therefrom the use of  $\frac{1}{2}$  the water from the spring on said  $4\frac{1}{2}$  acres and said reserved  $\frac{1}{2}$  water was granted by previous deed of George W. Stewart to M. E. Stewart, for use on his land adjoining on South and Southeast of said  $4\frac{1}{2}$  acres.

STATE OF OREGON,

PERMIT

County of Marion,

ss.

This is to certify that I have examined the foregoing application and do hereby grant the same. SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.668 cubic feet per second measured at the point of diversion from the well or source of appropriation, or its equivalent in case of rotation with other water users, from two wells

The use to which this water is to be applied is irrigation and supplemental irrigation of a total of 79.1 acres.

If for irrigation, this appropriation shall be limited to 1/60th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3 acre feet per acre for each acre irrigated during the irrigation season from March 1st to October 1st, and shall be still further limited to a diversion of not to exceed 0.668 c.f.s.; provided further that the amount of water allowed herein, together with the amount secured under any other right existing for the same lands shall not exceed the limitation allowed herein,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer. Wells shall be so cased as to prevent the loss of underground water.

The priority date of this permit is December 14, 1946

Actual construction work shall begin on or before November 16, 1952 and shall thereafter be prosecuted with reasonable diligence and be completed on or before

October 1, 1953

Complete application of the water to the proposed use shall be made on or before

October 1, 1954

WITNESS my hand this 16th day of November 1951

Chas. E. Stricklin STATE ENGINEER

Application No. 21219
