POINT OF DIVERSION FOR C-82422

NO LONGER-EXISTS

Primary lands and Supplementary lands under C-82422, also C-30919 irrigated from well 1.

NOTE: Upon granting of this new right, the applicant intends to surrender the primary surface rights from Certificate 82422 which describes that portion of the water right confirmed by C-4015 from the POMDER RIVER. The original point of diversion of this primary right no longer exists, and the right can no longer be served from the POMDER RIVER. The opplicant intends to drill a well, (well \$2\) to produce primary water anly for Tax Lats 200 and Tl. 101 9540E80B. Well \$\frac{1}{2}\$ is no longer used and was located to the East of the existing Church as shown on the drawing.
