Application No.  
Permit No.

I, Samuel Van Felt, of Harbor, do hereby certify that this map was made from notes taken during an actual survey made by my supervision on Dec 5, 1912, and that it correctly represents the works described in the accompanying application, together with the location of stream and other streams, and the land said "pipe line" runs across, also showing location of house and barn the pipe line is to supply. Down the land the dam is built on.
