

AMBROSE BROWNELL TRACT,
Sections 12 & 13, T.2 S., R.2 E., W.M.

Scale: 1" = 400'

I, Dexter E. Milne, certify that this map was made from notes taken during an actual field survey made by me during January, 1953; that the iron pipe used as a reference point is 1"x 36" and is set N.13°14'E 1775.1 feet distant from the 1/4 corner on the west line of sec. 13, T.2 S., R.2 E., W.M.
