*Map accompanying application of
 Clyde Noyes
 to appropriate water.*

I, J. N. Gearhart, of Myrtle Point, Oregon, hereby certify that this map was made from notes taken during an actual survey made under my direction on April 9, 1953, and that this map correctly represents the works described in the accompanying application, together with the location of streams in the immediate vicinity.

J. N. Gearhart
 Oregon No. 183.
