Details of river flood stage spillway.
Scale: 1 in. = 20 ft.

Map accompanying application of
Coquille Plywood Inc.
to appropriate water and to construct
a reservoir.

I, J. N. Georhart, of Myrtle Point, Oregon, do hereby certify that this map was made from notes taken during an actual survey made under my direction on August 14, 1951, and that it correctly represents the works described in the accompanying application together with the location of streams in the immediate vicinity.
